NCP Program and Continuing Education
Exam and Continuing Education

• National Check Payments Certification Program – established 2011
• NCP Exam: Recognizes industry payments professionals through rigorous certification process
  – NCPs must demonstrate a working knowledge of all significant aspects of check payments:
• Program covers 4 main categories of check payments:
  – Rules and regulations
    • Uniform Commercial Code
    • Regulation CC
    • Regulation J
    • ECCHO Rules
    • Federal Reserve Operating Circular 3 (OC3)
  – Fraud and risk mitigation
    • FFIEC Guidance
  – Check Operations
    • Process
    • ANSI standards
  – Check Products
Exam and Continuing Education

• Continuing Education (CE) Requirements
  – Designed to ensure certified payments professionals remain current with their knowledge
  – Includes both CE credits and ECCHO-hosted workshops on industry hot topics

• During each 5-yr renewal period, all NCPs must:
  – Earn and file 50 NCP-eligible CE Credits and
  – Purchase/participate in 3 NCP Workshops

• Annual Maximums:
  – 30 CE credits permitted to be filed / calendar year
  – No carryover for credits exceeding the maximums:
    • Credits over max. of 30 – no carryover to next year
    • Credits over max. 50 total – no carryover to next 5-year period
      – Note: No need to file additional credits over maximums
Credits and Workshops

• What is a Continuing Education (CE) credit?
  – 50 minutes of education = 1 credit
    • Standard across the industry for professional CE programs
    • Credits are tied to total minutes of education (excluding breaks, lunch periods, etc.)
  – Fractional CE credits are common; examples:
    • 60-min. session = 1.2 CE credits
    • 90-min. session = 1.8 CE credits
Credits and Workshops

• What is a Workshop?
  – ECCHO-hosted NCP educational session
  – Offered 3 times annually, typically in the months of
    • May, August and November
      – See website for details on upcoming sessions
  – Maximums:
    • 2 Workshops / calendar year recognized as “Workshops” for renewal requirements
    • Other ECCHO-hosted Workshop(s) may optionally be claimed as CE credits
      – Based on standard 50 min. of edu = 1 CE credit
Credits and Workshops

• Workshop Participation
  – NCP must be the purchaser to be recognized for Workshop requirement
  – Workshops tracked by ECCHO based on purchaser information

• Workshops for “Workshop” Credit
  – Entry is made by ECCHO into your online NCP record upon purchase and confirmed participation
    • Note: must complete 75% of a workshop for full workshop credit
  – No need to enter “workshops” when filing annual CE credits (see exception below)

• Workshops for CE credits (exception to Workshop tracking)
  – Once the NCP’s workshop requirement is fulfilled for a given calendar year, may claim an ECCHO-hosted Workshop for CE credits
  – Credits in this case are entered by the NCP – same as any CE session
Credits and Workshops

• Workshop “Piggy-backs” for CE Credits
  – One NCP purchases Workshop and other NCP(s) may sit in and listen on \textit{same purchased Workshop line}
    • Piggybacks counts only as CE credits
    • Do not count as a Workshop requirement

• 3-steps to Credit Filing for “piggybacks”:
  1. Notify ncpc@eccho.org within 10 days of a workshop that you had “piggyback” attendees on your purchased session
  2. Get completion certificate from NCP
  3. Enter credits as usual and retain completion certificate to confirm attendance if audited

8 Quick & Economical Ways to Earn NCP CE Credits

1. **NCP Guide Program**
   Test registrants get guidance from you for free and you earn Credits.

2. **ECCHOEd**
   Listen to complimentary sessions ("live" session or recordings) – up to 1.8 free credits per session.
   [www.eccho.org/education](http://www.eccho.org/education)

3. **NCP Exam Prep Training**
   Some trainers allow free piggybacks – ask trainer if one person pays, may another NCP piggyback for NCP CE credits.

4. **Community Service**
   Teach others about check (how to use checks properly, endorsement approaches to achieve goals, fraud avoidance, balancing checkbooks, etc.)

5. **Leverage Internal Training Req’s**
   Internal training requirements could overlap with NCP (e.g. check fraud & check related FFIEC guidance)

6. **Internal Experts**
   Invite someone on your legal team or product manager to discuss check topics. Educational sessions by vendors (not sales pitches) may be eligible.

7. **Hold a Team Lunch & Learn**
   Earn double credits if you lead a session (50-min. minimum and 3 or more people attend). If you attend ECCHO Ops, review with others what happened.

8. **Participate in ECCHO Ops, Business Committee or Working Groups**
   Earn credits for your time serving and participating in one or more of these groups. Contact [ecchoinfo@eccho.org](mailto:ecchoinfo@eccho.org) for information on how to be involved.
